

# PROJECT FACT SHEET

Rehabilitation & Improvements of boat ramps at Spanish Harbor Key (MM34)

&

Little Duck Key (MM40)

FIN. No.: 413328-3-52-01, 413328-4-52-01

Beginning October 26, 2009, the Florida Department of Transportation (FDOT), District Six, will begin the rehabilitation of the boat ramps at Spanish Harbor, Mile Marker (MM) 34 and Little Duck Key, (MM 40), (FIN: 413328-3-52-01, 413328-4-52-01) This project will last approximately five months and cost an estimated \$798,086.29.

## **Scope & Purpose of Work**

The purpose of this project is to rehabilitate the area by rebuilding the sea walls, reconstruction of the boat ramps, and repairing and resurfacing the parking areas.

## **Maintenance of Traffic**

During the construction, the boat ramps and parking areas will be closed. The work will take place in the boat ramp areas only, so there is no anticipated impact on traffic. But if necessary, no lane closures will occur on Saturdays, Sundays, or any holiday(s). No lanes shall be closed on a Friday preceding a Saturday holiday or the Monday following a Sunday Holiday. No existing lanes shall be closed during Keys Special Event Dates as determined by the Engineer. The Engineer may adjust lane closure times if conditions warrant.

## **Timeline**

The project is scheduled to begin on October 26, 2009 and is expected to be complete by spring 2010. Please note, however, that this schedule is tentative and could be impacted by bad weather or other unforeseen circumstances.

## **Hurricane Evacuation**

Should a hurricane or other event make evacuation necessary, the contractor will secure the work zone and make sure that any travel lanes that can be reopened safely are cleared for traffic in order to facilitate evacuation efforts.

## **Helpful hints to guide you safely through the work zone:**

- Give yourself a little extra time to reach your destination.
- Follow all signs posted within the construction zone.
- Obey flagmen and law enforcement officials.
- Never drive or walk into a construction area.

## **Public Information**

The Florida Department of Transportation will make every effort to announce traffic interruptions/lane closures prior to their occurrence. For more information, please contact the Public Information Specialist, Will Thompson, at 305-797-0962, or by e-mail at [will@qcausa.com](mailto:will@qcausa.com).
